In his lifetime Joel expressed his appreciation to all those who to the best of their ability tried to break down the language barrier. Click on [joeldank](#) for further info on it.

Joel teaches us that we are states and stades of the One (God)Consciousness. One person is more than the other awakened to IT. Moreover The Infinite Way® is a Spiritual, Mystical teaching.

You might wonder: "What moves people to study a Spiritual, Mystical teaching? What do they expect of it?"

I suggest that you do the TEST. Click on [testeng](#)

Should you feel that The Infinite Way is NOT your "Spiritual Home", please continue your search to that teaching that matches with your present state of Consciousness. We are with you in meditation that you may be led by God (NOT by people). Should you feel that The Infinite Way is your "Spiritual Home" , then click on [continue](#) .

To end this short introduction hereunder some sayings by Joel:

"Nothing can happen in your experience except through an activity of your consciousness."

I am in you..Thou art in me..We are in God..We are one..We are united in the Divine Consciousness of the Spirit of God.

Out here we call ourselves Americans, Germans, Dutch, English, Spanish, French,. . . how nonsensical. We are all one.. (1962 Holland Class "The Temple "). -----
